

EXPLORE TRIBAL SCENERY

- Dasha Village Entrance Monument**
Stone slabs engraved with the tribe name, combined with forest scenery. A spiritual landmark welcoming visitors.
- Pangolin Art Square**
A community building shaped like a pangolin, showcasing the culture of the village and serving as a leisure space.
- Delai Park**
A cultural experience park combining natural scenery, coffee, and workshops. A relaxing stop for travelers.
- Dewen Lane Stone Houses**
Well-preserved traditional stone houses along Dewen Lane, showing local architectural heritage.
- Guanwang Mountain**
A famous hiking trail in the Shandimen area, about 1246m high, with wide panoramic views.
- Dalai Suspension Bridge**
A suspension bridge over the Ailliao River, connecting the old and new Dalai villages.
- Dawadawang Elder Church**
The spiritual center of the village, combining driftwood crosses with stone architecture, symbolizing local life and culture.
- Timur Art Park**
Features Paiwan cultural landscapes, ancestral blessings, and life heritage. Offers views of the Pingtung plain at sunset.
- Zhongshan Park**
Opposite the township office, former shrine site. Enjoy views of the Ailliao River and misty mountain layers.
- Hundred-Pace Snake Viewpoint**
A snake-shaped observation deck in the forest park, with panoramic views of ridges and plains.
- Shanchuan Glass Suspension Bridge**
262 meters long, a bright white bridge suspended over the Ailliao River valley like a gentle smile.
- Shandi Village Old Trail**
An old trail linking Shandimen, walking through the forest to Ailliao River. Experience the village's historical path.
- Saijia Observation Deck**
180-degree panoramic view over the plains and ridges. A peaceful spot to admire the wide landscape.
- Saichia Paragliding Park**
Famous for unpowered paragliding in Taiwan, with stable thermals and a wide landing area.
- Koushe Village Entrance Arch**
Stands at the village entrance, symbolizing respect and recognition for ancestral spirits.
- Koushe Stone Houses**
Stone houses made of slate and stone, decorated with wood, reflecting traditional Paiwan architecture.
